

# Information Sharing Register

Date of update:

This register is maintained and made publicly available in accordance with clause 4.2.4 of the Australian Energy Regulator (AER) Electricity Transmission Ring-fencing Guideline.

The table below lists the legal entities who have requested access to information identified in clause 4.2.3(a), a description of the kinds of information requested by the legal entity and whether the request was approved or declined. The register is updated on a monthly basis.

Date	Legal Entity	Type	Approved/Declined	Description of Information Requested	Date information supplied
