

Project update Charles Street, Marrickville

Transgrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable, and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

As you will probably be aware, Transgrid has completed several work activities on Charles Street, Marrickville. We thank you for your patience during our work in your area so far. The next stage of work involves patch work restoration on Charles Street, Marrickville.

Works on Charles Street, Marrickville will continue on **Sunday 28th May 2023** and will take approximately **1 night** to complete. **If the weather forecast is poor or works are delayed, work will be rescheduled to Monday 29th May 2023.**

Work activities

- > Delivering plant and equipment to site.
- > Milling the road surface.
- > Laying asphalt.

Work hours

Activity	Expected duration	Work Hours	Expected start date
Asphalting	Approximately one night	Night: 7pm to 5am	Sunday 28 th May 2023

How will the work affect you?

Two-way traffic on Charles Street, Marrickville will be maintained under stop/slow arrangements.

Stop/Slow Road arrangement will be implemented between Amy Street and Illawarra Rd at the work zone only to minimise inconvenience, Access for residents will be maintained. Road users may experience short delays to access local properties, and some kerbside parking spaces may be available as work progresses.

The work will be loud at times, but we will make every effort to keep noise to a minimum.

Some construction equipment will be temporarily stored on the roadway on Charles Street, Marrickville. There may be temporary closures of pedestrian crossings, but we will provide an alternative route.

Traffic control will be in place for the safety of pedestrians, workers and road users.

Location of work

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

Transgrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
