

# Powering Sydney's Future

## POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

### Permanent road restoration at Rookwood Road, Yagoona

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at [www.transgrid.com.au/psf](http://www.transgrid.com.au/psf).

Permanent road restoration on **Rookwood Road, Yagoona, between William Holmes Street and Muir Road**, will start from **Tuesday 29 June 2021** and will be completed at night when traffic volumes are lower. This work is expected to take around **one week** to complete, weather and ground conditions permitting. Please refer to the map overleaf for the location of the work.

#### Work activities

- > Delivering plant and equipment to site.
- > Removing a layer of the existing road surface using a profiler.
- > Placing new asphalt on the road pavement.
- > Compacting the road surface using a roller.

#### Work hours

Night work hours are **6pm to 6am, Monday to Saturday**.

#### How will the work affect you?

- > **Two-way traffic on Rookwood Road will be maintained under a stop/slow traffic setup.** Traffic control will be in place for the safety of workers and road users.
- > The work will be noisy at times, but we will make every effort to keep noise to a minimum.
- > There may be temporary closures of footpaths but we will provide an alternative route.
- > Road users may experience short delays to access local properties.
- > If we expect your driveway access will be disrupted, we will inform you in advance and discuss arrangements.

#### What's next

Following this work, we will return at a later stage to line-mark the road and permanently restore the road surface at the intersection of Muir Road and Rookwood Road. We will keep you advised of this work activity.

#### Contact us

If you have any questions or concerns, please contact the Powering Sydney's Future project team on 1800 955 588 or at [psf@transgrid.com.au](mailto:psf@transgrid.com.au).

## Location of work

### COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
