

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Footpath restoration on Burrows Road, Alexandria

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

As you will probably be aware, TransGrid has completed a number of work activities at Burrows Road, Alexandria. We will return to your street from **Monday 04 October** to restore the footpath. This work is expected to take around **one week** to complete.

The road surface will be permanently restored at a later stage in consultation with Council. Businesses will be advised further regarding the delivery and timing of this activity.

Work activities

- > Installing temporary fencing and safety barriers around the work site.
- > Delivering plant and equipment to site.
- > Restoring the footpath.

Work hours

Work hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays**.

How will the work affect you?

- > **A stop/slow traffic configuration will be in place on Burrows Road during work hours.**
- > Some work activities will be noisy but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of some parking spaces.
- > An alternative route will be provided if any diversions or closures of pedestrian pathways are required.
- > Driveway access will be maintained where possible. If we anticipate that access will be disrupted for an extended period, we will inform you in advance.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
