

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Trenching work at Surrey Street, Marrickville

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

Trenching work at **Surrey Street, Marrickville** will start from **Wednesday 10 March 2021**. The work is expected to progress at around 30 metres per day, weather and ground conditions permitting. Please refer to the map overleaf.

Work activities

- > Delivering plant and equipment to site.
- > Trimming trees to create a safe distance from plant and equipment (conducted by a trained arborist).
- > Cutting the road surface with a concrete saw.
- > Digging a trench about two metres wide using an excavator.
- > Excavating and installing ancillary pits in the road, footpath or grass verge.
- > Installing conduits (pipes).
- > Using a pump/vacuum truck in wet weather as required.
- > Backfilling the trench and covering it with steel plates.
- > Temporarily restoring the road surface to allow normal traffic flow and restoring the footpath and grass verge as required.

Work hours

Standard work hours are **7am – 6pm, Monday to Friday** and **8am – 1pm on Saturday**.

How will the work affect you?

- > **Surrey Street, Essex Street and a section of Neville Street will be temporarily closed** to through traffic during the work. Traffic detours and traffic control will be in place for the safety of workers and road users. All streets will remain open to local residents under traffic control.
- > There will be progressive road closures as trenching continues along the street.
- > The work will be noisy at times, but every effort will be made to keep noise to a minimum.
- > There will be a temporary loss of street parking of around 100 metres while trenching is in progress.
- > Road users may experience short delays to access local properties.
- > There may be temporary closures of footpaths, but we will provide an alternative route.
- > If we expect your driveway access will be disrupted, we will inform you in advance and discuss arrangements.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
