

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Trenching work at Neville Street, Marrickville

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

Trenching work at **Neville Street, Marrickville**, will start from **Monday, 18 January 2021**. The work is expected to progress at around 20 metres per day, weather and ground conditions permitting. Please refer to the map overleaf.

Work activities

- > Delivering plant and equipment to site.
- > Trimming trees to create a safe distance from plant and equipment (conducted by a trained arborist).
- > Cutting the road surface with a concrete saw.
- > Digging a trench about two metres wide using an excavator.
- > Using a pump/vacuum truck as required.
- > Installing conduits (pipes).
- > Backfilling the trench and covering it with steel plates.
- > Temporarily restoring the road surface to allow normal traffic flow, and restoring the footpath and grass verge as required.

Our team will return to permanently restore the road at a later date after the new cable has been installed. We will write to you again before this work.

Work hours

Working hours are **7am - 6pm, Monday to Friday** and **8am to 1pm on Saturday**.

How will the work affect you?

- > **Neville Street will be temporarily closed** to through traffic between Sydenham Road and Surrey Street during work hours. Traffic detours and traffic control will be in place for the safety of workers and road users. **Neville Street** will remain open to local residents under traffic control.
- > The work will be noisy at times, but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of street parking of around 100 metres while trenching is in progress.
- > There may be temporary closures of footpaths and cycleways, but we will provide an alternative route.
- > Road users may experience short delays to access local properties.
- > If we expect your driveway access will be disrupted, we will inform you in advance and discuss arrangements.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.
