

# Powering Sydney's Future

## POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

### Permanent restoration work at Edgeware Road, Newtown and Llewellyn Street, Marrickville.

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at [www.transgrid.com.au/psf](http://www.transgrid.com.au/psf).

This letter is to advise you of permanent restoration work on **Edgeware Road and Llewellyn Street**, which will be the final stage of project work in your area. Thank you very much for your patience throughout the project.

Restoration work will start from **Monday 20 September 2021** and is expected to be completed in **early October 2021**, weather, ground conditions and COVID-19 restrictions permitting. Work will not be continuous during this period and night work will be limited to three nights in a week.

At times there will be traffic changes as shown on the map overleaf.

#### Work activities

Restoration work will involve:

- > Installing temporary fencing and safety barriers.
- > Delivering plant and equipment to site.
- > Trimming trees to create a safe distance from plant and equipment (directed by a qualified arborist).
- > Tree planting.
- > Saw cutting & hammering.
- > Profiling the road - a large machine will grind off existing asphalt/concrete before a new surface is laid.
- > Using a pump/vacuum truck to remove water as required.
- > Laying concrete and asphalt.
- > Removing old road line markings using high pressure water jets.
- > Spraying/painting new road line markings.

#### Work hours

Location	Work Hours	Activity	Start day	Duration
Edgeware Rd (between Laura St and Wells St)	Day work: 7am to 6pm Monday to Saturday	Traffic islands restoration	Week starting 20 September	Two days

## How will the work affect you?

- > Work will be noisy at times. For night work, we will make every effort to complete high impact noise activities (asphalt and concrete cutting/ hammering, road profiling & hydro blasting) before midnight wherever possible.
- > **Traffic detours** and **temporary road closures** will be in place for the safety of workers and road users. Please refer to the map below outlining the local traffic changes for each section of work.
- > **A bus detour** via **Victoria Rd & Murray St** will be required for the duration of the works.
- > There will be no access to **Edgeware Rd** via **Wells Street** while night work is being done.
- > Resident access to **Darley St** between **Edgeware Rd & John St** will be via the John Street end during our work.
- > There will be a **temporary loss of on-street parking** while work is in progress.
- > There may be temporary closures of the footpath, however we will provide an alternative route for pedestrians.
- > Residents may experience short delays to access properties.
- > If we anticipate your driveway access may be disrupted, we will inform you in advance and discuss arrangements.

## Location of work

## Contact us

If you have any questions or concerns, please contact the Powering Sydney's Future project team on 1800 955 588 or at [psf@transgrid.com.au](mailto:psf@transgrid.com.au).

## COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis. TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
