## **Powering Sydney's Future**

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT

COMMUNITY NOTIFICATION

# Trenching work at Omaha Street, Belfield and Seventh Avenue, Campsie

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at <u>www.transgrid.com.au/psf</u>.

Trenching work at **Omaha Street, Belfield and Third Avenue, Belmore**, will start from **Monday, 12 October 2020**. The work is expected to progress at around 30 metres per day, weather and ground conditions permitting.

### Work activities

- > Delivering plant and equipment to site.
- > Cutting the road surface with a concrete saw.
- > Digging a trench about two metres wide using an excavator.
- > Installing conduits (pipes) in the trench.
- > Backfilling the trench and covering it with steel plates.
- > Temporarily restoring the road surface to allow normal traffic flow.

Our team will return to permanently restore the road at a later date after the new cable has been installed. We will write to you again before this work.

#### Work hours

Standard work hours are 7am – 6pm, Monday to Friday and 8am – 1pm on Saturdays.

#### How will the work affect you?

- > The work will generate some noise, which we will make every effort to keep to a minimum.
- > There will be a temporary loss of street parking of around 100 metres while trenching is in progress.
- > There will be temporary lane closures to ensure the safety of workers, road users and residents, although twoway traffic flows will be maintained. Traffic control will be in place to safely direct traffic around the site.
- > There may be temporary closures of footpaths and cycleways, however we will always provide an alternative route.
- > Access to properties will be maintained unless we make alternative arrangements with you in advance.
- > Limited tree trimming may be required to create a safe distance from plant and equipment. This work will be conducted by a trained arborist.

#### Location of trenching work

#### **COVID-19 Safety protocols**

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
