Annexure A

Note: Words and terms appearing in **bold** (excluding headings) have the meaning assigned to them at **Part C – Definitions**.

Part A – Avoidance, mitigation, and compensation conditions**CLEARING LIMITS**

- 1) The approval holder must undertake **clearing** and **construction** activities in accordance with conditions A2(c) and A2(d) of the **NSW approval** to the extent that they relate to **protected matters**.
- 2) To avoid and mitigate **harm** to **protected matters**, the approval holder must comply with condition B25 of the **NSW approval** to the extent that it relates to **protected matters**.
- 3) Prior to carrying out any activity that could **harm Habitat for Bago Leek-orchid, Habitat for Brandy Marys Leek Orchid, Habitat for Kelton’s Leek-orchid** and **Habitat for Blue-tongued Orchid**, the approval holder must submit an Orchid Management Plan to the **department** for the **Minister's** approval.
- 4) The approval holder must not **harm** any **Habitat for Bago Leek-orchid, Habitat for Brandy Marys Leek Orchid, Habitat for Kelton’s Leek-orchid** and **Habitat for Blue-tongued Orchid** unless the **Minister** has approved the Orchid Management Plan in writing. The approval holder must implement the Orchid Management Plan approved by the **Minister** during construction and operation until the expiry of this approval.
- 5) The Orchid Management Plan must be prepared by a **suitably qualified orchid specialist**. All commitments, including environmental outcomes, management measures, corrective measures, trigger values and performance indicators in the Orchid Management Plan must be **SMART** and based on referenced or included evidence of effectiveness. The Orchid Management Plan must be consistent with the **Environmental Management Plan Guidelines**, and must include:
 - a) clear environmental outcomes for the implementation of the **plan**,

- b) details of the **Bago Leek-orchid, Brandy Marys Leek Orchid, Kelton's Leek-orchid** and the **Blue-tongued Orchid** and a reference to the **EPBC Act** approval conditions to which the **plan** refers,
- c) a table of commitments made in the **plan** to achieve the environmental outcomes, and a reference to exactly where these commitments are detailed in the **plan**,
- d) commitments capable of ensuring that the environmental outcomes are achieved,
- e) reporting and review mechanisms to demonstrate compliance with the commitments made in the **plan**,
- f) an assessment of risks relating to achieving the environmental outcomes and risk management strategies and/or mitigation measures that will be applied to address identified risks,
- g) impact avoidance, mitigation and/or repair/compensation measures, and the timing of those measures,
- h) a monitoring program, which must include:
 - i) performance indicators,
 - ii) trigger values for corrective measures,
 - iii) the timing and frequency of monitoring, ensuring monitoring is capable of detecting trigger values and changes in the performance indicators, and
 - iv) proposed corrective measures if trigger values are reached,
- i) links to other relevant **plans** or conditions of approval (including state or territory approval conditions),
- j) consistency with species specific guidelines/conservation advices for the **Bago Leek-orchid, Brandy Marys Leek Orchid, Kelton's Leek-orchid** and the **Blue-tongued Orchid**.

FIELD VERIFICATION EFFORTS

- 6) The approval holder must provide to the **department** the Supplementary Biodiversity Strategy and Biodiversity Assessment Verification Report required under conditions B28 and B29 of the **NSW approval**.

BIODIVERSITY MANAGEMENT PLAN

- 7) The approval holder must comply with condition B30 (Biodiversity Management Plan) of the **NSW Approval**. The Biodiversity Management Plan must be prepared in accordance with the **Environmental Management Plan Guidelines** and condition B30 of the **NSW Approval**.

OFFSETS

- 8) To compensate for the residual significant impacts of the Action on **protected matters**, the approval holder must submit to the **department** a Biodiversity Offset Package 10 **business days** prior to obtaining approval of the Biodiversity Offset Package from the **NSW Planning Secretary**. The Biodiversity Offset Package must be prepared in accordance with condition B26 of the **NSW approval**.
- 9) The approval holder must provide a report in writing to the **department** confirming that the biodiversity offset measures in the Biodiversity Offset Package for the **protected matters** that have required offsets under this approval have been implemented and delivered by 13 November 2026 or timing otherwise agreed by the **NSW Planning Secretary**.

Part B – Administrative conditions

SUBMISSION AND PUBLICATION OF PLANS

- 10) Wherever these conditions require the approval holder to submit any **plan** to the **department**, all such **plans** must be submitted to the **department** electronically.
- 11) Unless otherwise agreed to in writing by the **Minister**, the approval holder must publish each **plan** on the **website** within 15 **business days** of the date the **plan** is approved by the **NSW Planning Secretary** or the **plan** is approved by the **Minister** in writing.
- 12) The approval holder must keep all **plans** published on the **website**, in a format that is easily accessible and downloadable, from the first date which that **plan** must be published and until the expiry date of this approval. This requirement applies to all current and superseded versions of **plans**.
- 13) The approval holder is required to exclude or redact **sensitive biodiversity data** from any version of a **plan** before that **plan** is published on the **website** or otherwise provided to a member of the public. If **sensitive biodiversity data** is excluded or redacted from a **plan**, the approval holder must notify the **department** in writing what exclusions and redactions have been made in the version published on the **website**.

REVISION OF ACTION MANAGEMENT PLANS

- 14) The approval holder may, at any time, apply to the **Minister** for a variation to an action management **plan** approved by the **Minister** or as subsequently revised in accordance with the following conditions, by submitting an application in accordance with the requirements of section 143A of the **EPBC Act**. If the **Minister** approves a revised action management **plan** (RAMP) then, from the date specified, the approval holder must implement the RAMP in place of any previous version of the action management **plan**.
- 15) The approval holder may choose to revise an action management **plan** approved by the **Minister** under condition 3, or as subsequently revised in accordance with these conditions, without

submitting it for approval under section 143A of the **EPBC Act**, if the taking of the Action in accordance with the RAMP would not be likely to have a **new or increased impact**.

- 16) If the approval holder makes the choice under condition 15 to revise an action management plan without submitting it for approval, the approval holder must:
- a) Notify the **department** electronically that the approved action management **plan** has been revised and provide the **department** with:
 - i) An electronic copy of the RAMP.
 - ii) An electronic copy of the RAMP marked up with track changes to show the differences between the approved action management **plan** and the RAMP.
 - iii) An explanation of the differences between the approved action management **plan** and the RAMP.
 - iv) The reasons the approval holder considers that taking the Action in accordance with the RAMP would not be likely to have a **new or increased impact**.
 - v) Written notice of the date on which the approval holder will implement the RAMP (RAMP implementation date), being at least 20 **business days** after the date of providing notice of the revision of the action management plan, or a date agreed to in writing with the **department**.
 - b) Subject to condition 18, implement the RAMP from the RAMP implementation date.
- 17) The approval holder may revoke its choice to implement a RAMP under condition 15 at any time by giving written notice to the **department**. If the approval holder revokes the choice under condition 15, the approval holder must implement the action management plan in force immediately prior to the revision undertaken under condition 15.
- 18) If the **Minister** notifies the approval holder that the **Minister** is satisfied that the taking of the Action in accordance with the RAMP would be likely to have a **new or increased impact**, then:
- a) Condition 15 does not apply, or ceases to apply, in relation to the RAMP.
 - b) The approval holder must implement the action management plan specified by the **Minister** in the notice.
- 19) At the time of giving the notice under condition 18 the **Minister** may also notify that for a specified period of time, condition 15 does not apply for one or more specified action management plans.

Note: Conditions 15, 16, 17, 18 and 19 are not intended to limit the operation of section 143A of the **EPBC Act** which allows the approval holder to submit a revised action management plan, at any time, to the **Minister** for approval.

MODIFICATIONS TO STATE OR TERRITORY APPROVAL

- 20) The approval holder must notify the **department** in writing of any proposed change to the **NSW approval** (including management **plans** under the **NSW approval** referenced in these conditions)

that may relate to **protected matters** within 2 **business days** of formally proposing such a change and within 5 **business days** of the approval holder becoming aware of any proposed change by the **NSW planning secretary**.

- 21) The approval holder must notify the **department** in writing of any change to the **NSW approval** conditions (including management **plans** under the **NSW approval** referenced in these conditions) that may relate to **protected matters**, within 5 **business days** of such a change to conditions coming into effect. Such notification must include a copy of the changed **NSW approval** conditions, or management **plans**, showing what changes have been made.

COMMENCEMENT OF THE ACTION

- 22) The approval holder must notify the **department** electronically of the date of **commencement of the Action**, within 5 **business days** following **commencement of the Action**.
- 23) The approval holder must not **commence the Action** later than 5 years after the date of this approval decision.
- 24) The approval holder must notify the **department** electronically of the date of when **clearing** or **construction** begins within 5 **business days**.

COMPLIANCE RECORDS

- 25) The approval holder must maintain accurate and complete **compliance records** and document the procedure for recording and storing **compliance records**.
- 26) If the **department** makes a request in writing, the approval holder must provide electronic copies of **compliance records** to the **department** within the timeframe specified in the request.

Note: Compliance records may be subject to audit by the **department**, or by an **independent auditor** in accordance with section 458 of the **EPBC Act**, and/or be used to verify compliance with the conditions. Summaries of the results of an audit may be published on the **department's website** or through the general media.

- 27) The approval holder must ensure that any **monitoring data**, surveys, maps, and other spatial and metadata required under the conditions of this approval are prepared in accordance with the *Guidelines for biological survey and mapped data*, Commonwealth of Australia 2018, or as otherwise specified by the **Minister** in writing.
- 28) The approval holder must ensure that any **monitoring data**, surveys, maps, and other spatial and metadata required under the conditions of this approval are prepared in accordance with the *Guide to providing maps and boundary data for EPBC Act projects*, Commonwealth of Australia 2021, or as otherwise specified by the **Minister** in writing.
- 29) The approval holder must submit all **monitoring data**, surveys, maps, other spatial and metadata and all species occurrence record data required under the conditions of this approval (sightings and evidence of presence) electronically to the **department** within 20 **business days** except where otherwise specified in a **plan**.

ANNUAL COMPLIANCE REPORTING

- 30) The approval holder must prepare a **compliance report** for each **Annual Compliance Report period (ACR period)**.
- 31) The approval holder must ensure each **compliance report** includes:
- a) accurate and complete details of compliance and any non-compliance with:
 - i) each condition imposed under the **NSW approval**, if a condition attached to this approval decision requires compliance with that **NSW approval** condition, to the extent that it relates to **protected matters**,
 - ii) each condition attached to this approval decision, and
 - iii) all commitments made in each **plan**,
 - b) a schedule of all **plans** in effect in relation to these conditions during the **ACR period**,
 - c) accurate and complete details of how each **plan** was implemented during the **ACR period**, and
 - d) if any **incident** occurred, accurate and complete details of each **incident**.
- 32) The approval holder must ensure each **compliance report** is completed to the satisfaction of the **Minister** and is consistent with the *Annual Compliance Report Guidelines, Commonwealth of Australia 2023*.
- 33) The approval holder must, within 20 **business days** following the end of each **ACR period**, in a format that is easily accessible and downloadable, publish on the **website**:
- a) each **compliance report**, and
 - b) a **shapefile** showing all **clearing** of **protected matters**, and their habitat, undertaken within the **ACR period**.
- 34) The approval holder must:
- a) Exclude or redact **sensitive biodiversity data** from each **compliance report** and **shapefile** published on the **website** or otherwise provided to a member of the public.
 - b) If **sensitive biodiversity data** is excluded or redacted from a version of a **compliance report** published or otherwise provided to a member of the public, submit the full **compliance report** to the **department** within 5 **business days** of its publication on the **website** and notify the **department** in writing what exclusions and redactions have been made in the version published on the **website** or otherwise provided to a member of the public.
 - c) If **sensitive biodiversity data** is excluded or redacted from a version of a **shapefile** published or otherwise provided to a member of the public, submit the full **shapefile** to the **department** within 5 **business days** of its publication on the **website** and notify the

department in writing what exclusions and redactions have been made in the version published on the **website** or otherwise provided to a member of the public.

- 35) The approval holder must notify the **department** electronically, within 5 **business days** of each date of publication that the **compliance report** and related **shapefile** has been published on the **website**. In this notification, the approval holder must provide the **department** with the web address for where the **compliance report** and related **shapefile** are published on the **website**.
- 36) The approval holder must keep each **compliance report** and related **shapefile** published on the **website** from the first date which that **compliance report** must be published and until the expiry date of this approval.

Note: Compliance reports may be published on the **department's website**.

REPORTING NON-COMPLIANCE

- 37) The approval holder must notify the **department** electronically, within 2 **business days** of becoming aware of any **incident**. The approval holder must specify in each notification:
- a) any condition or commitment made in a **plan** which has not been, or may have not been, complied with,
 - b) a short description of the **incident**, and
 - c) the location (if applicable, including co-ordinates), date and time of the **incident**.
- 38) The approval holder must provide to the **department** in writing, within 12 **business days** of becoming aware of an **incident**, the details of that **incident**. The approval holder must specify:
- a) all corrective measures and investigations which the approval holder has already taken in respect of the **incident**,
 - b) the potential impacts of the **incident**,
 - c) the method and timing of any corrective measures that the approval holder proposes to undertake to address the **incident**, and
 - d) any variation of these conditions or revision of a **plan** that will be required to prevent recurrence of the **incident** and/or to address its consequences.

INDEPENDENT AUDIT

- 39) The approval holder must ensure that an **independent audit** of compliance with the conditions is conducted for every **audit period**.
- 40) The approval holder must submit details of the proposed **independent auditor** and their qualifications to the **department** within 10 **business days** following the end of each **audit period**.
- 41) The approval holder must ensure the scope of each **independent audit** is sufficient to determine the compliance status for each condition of approval, and each commitment made in each **plan**.

- 42) The approval holder must ensure the criteria for each **independent audit** and the undertaking of each **independent audit** are consistent with the **Independent Audit and Audit Report Guidelines**.
- 43) The approval holder must submit an **audit report** to the **department** for written agreement from the **department** within 3 months following the end of each **audit period**, or as otherwise directed by the **Minister** in writing.
- 44) The approval holder must ensure each **audit report** is completed to the satisfaction of the **Minister** and is consistent with the **Independent Audit and Audit Report Guidelines** to the extent that the Guidelines are consistent with the conditions of this approval.
- 45) The approval holder must publish each **audit report** on the **website**, in a format that is easily accessible and downloadable, within 10 **business days** of the date the **department** agrees to that **audit report** in writing.
- 46) The approval holder must notify the **department** within 5 **business days** of the date the **audit report** is published on the **website**. In this notification, the approval holder must provide the **department** with the web address for where the **audit report** is published on the **website**.
- 47) The approval holder must keep each **audit report** published on the **website** from the first date which that **audit report** must be published and until the expiry date of this approval.

COMPLETION OF THE ACTION

- 48) Within 20 **business days** after the **completion of the Action**, and, in any event, at least 20 **business days** before this approval expires, the approval holder must notify the **department** electronically of the date of **completion of the Action** and provide **completion data**. The approval holder must submit any spatial data that comprises **completion data** as a **shapefile**.
- 49) The approval holder must notify the **department** electronically 60 **business days** prior to the expiry date of this approval, that the approval is due to expire.

Note: Section 145C of the **EPBC Act** entitles the approval holder to request an extension to the period of effect of this approval.
