

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Out-of-hours service locating work at Muir Road / Hume Highway, Greenacre

TransGrid is installing a new electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

Out-of-hours service locating work at **Muir Road / Hume Highway, Greenacre**, is due to start from **Tuesday, 6 October 2020** and will take approximately 2 shifts over approximately one week, weather and ground conditions permitting. This work needs to be done at night due to high daytime traffic volumes.

Work activities

- > Site set-up, including installing traffic control signage and safety barriers.
- > Service locating.

Work hours

Out-of-hours work will be carried out from **7pm to 5am, Monday to Sunday**.

How will the work affect you?

- > The work will not create highly intensive noise.
- > There will be a temporary loss of street parking while work is in progress.
- > There will be temporary lane closures to ensure the safety of workers, road users and residents. Traffic control will be in place to safely direct traffic around the site.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
